FIGEAC AÉRO, CHAMPION OF GROWTH IN 2017, IS INCLUDED IN THE LEADING RANKING OF STOCK MARKET GROWTH COMPANIES: FUTUR40

FIGEAC AÉRO Group (ticker code: FGA), a reference partner for the big aerospace manufacturers, is delighted to join the Futur40, the leading ranking of stock market growth companies run by Forbes France, in association with PME finance - Europe Entrepreneurs, Paris Europlace, Morningstar and F2iC.

FIGEAC AÉRO was selected by Morningstar from among the companies listed on Euronext Paris with more than three years' published figures and whose shares are eligible for the PEA-PME (SME equity saving scheme). The final selection of 40 stocks was based on revenue growth rates compared with the previous year, weighted by the growth rate of the past three years.

Jean-Claude Maillard, Chairman and Chief Executive Officer and Founder of FIGEAC AÉRO, took this opportunity to add: *"This award recognises all of FIGEAC AÉRO's employees, who have enabled us to build up this growth."*

This growth is set to intensify, since the revenue target of at least €650 million⁵ is now more than 90% secured for March 2020, (based on the pace announced by the aircraft manufacturers), i.e. an average annual growth rate of at least 26% over 3 years."
